

## Coq Au Vin (Nanette Hayes Mysteries)

THEN BOHO SLEUTH MEETS THE HOT LIFE, ITS MURDER ON THE DOWN LOW...Shes the most charismatic crime fiction heroine to appear in the last decade, a jazz-playing, freewheeling sleuth with a knack for living cool...and landing in hot water. Shes Nanette Hayes, and this time around shes flying high -- back to Paris, the city shes always loved, to find Viv, the jet-setting aunt she still idolizes. But her search will plunge her into a decades-old murder mystery that will endanger her, her fiercely sexy new lover, and Viv. And to solve it, she will have to face hard truths about the past and her own illusions -- and heartbreak of the seriously fatal kind.
