

A Valentine Wedding

Dear Reader, In celebration of true love, here's a Valentine's Day treat--the tale of two star-crossed lovers who can't see that they're perfect for each other.... Lady Emma Beaumont and Lord Alasdair Chase were once inseparable childhood friends, then betrothed lovers. But something went dreadfully awry, and Emma left Alasdair practically at the altar. Now, two years later, Emma has inherited a substantial fortune...but there's one small string attached: until the day she weds, Emma cannot spend a farthing without Alasdair's consent. The thought of having to go to Alasdair, with his mocking smile and derisive eyes, every time she needs money is not to be borne. Emma swears to Alasdair that she'll have both a husband--and a lover--by St. Valentine's Day. Alasdair vows she won't--unless he himself becomes both her lover and her husband. In fact, he's looking forward to employing every form of sensual persuasion he dares to convince his passionate, headstrong Emma that she'd rather have him than any other man. Will he succeed?...or will Emma get her way? Warmest wishes, Jane Feather. P.S. In summer '99, look for *The Accidental Bride*, the next volume in my Brides trilogy, which began with *The Hostage Bride*. Three unconventional young women vow never to marry, only to be overtaken by destiny.... In *The Accidental Bride*, Phoebe, the awkward one, stumbles into romance, adventure, and passion....
