

A Reasonable Madness (Signet)

Laura Wade is beautiful, brilliant, rich, and gentle, with a handsome, successful husband and three lovely children. She is also convinced her thoughts can kill. David Goldman is a psychiatrist trying to save Lauras sanity. Instead he finds himself fighting to keep from believing her, and from wanting her. Together they are drawn into a maelstrom of danger and discovery that makes what we know as madness seem safe A Reasonable Madness is a novel of terror and passion graced with a tender and unforgettable love story. A remarkable tale by a spellbinding writer of psychological suspense.
