

Whats Age Got to Do with It?: Living Your Healthiest and Happiest Life

Whats age got to do with it? Absolutely nothing! Though its her husband, Dr. Phil, who has his own nationally-syndicated talk show, Robin McGraws appearances on the show draw thousands of questions from viewers of all ages who want to know how she looks and feels so fabulous at the age of fifty-five. In Whats Age Got to Do with it?, Robin shares her journey, including the ups and downs, and the secrets for staying healthy and in shape. She also provides insider information from a panel of top experts in the areas of fitness, nutrition, skin care, menopause, hair, makeup, and fashion. Robin says, To me, aging gracefully isnt accepting what aging does to you. It means taking care of your health, wanting to look your best, and knowing that it is not conceited, egotistical, or selfish to do so.
