

Take Your Pleasure Where You Find it (Library Edition)

Freedie the Cheerleader, Phyllis the Class President, and Renetta, the Fat Girl were not friends back in high school. So its a surprise to all of them when they end up connecting at their 30 year high school reunion. Theyve all changed since those harsh yet tender high school years, and each one of them has their own deliciously scandalous secret. But when those secrets threaten to come to light, and possibly tear apart their less than perfect, but generally content lives, they band together in their sisterhood to stand and fight to keep whats theirs. Funny, sexy, tender, and raunchy, Take Your Pleasure Where You Find It is a J.D. Mason take that is not to be missed.
