

Shadows Still Remain: A Novel

A killer of a thriller with a wonderfully human, perfectly rendered heroine at its center. A terrific read. Dennis Lehane, author of *Shutter Island* and *The Given Day* First-rate crime fiction. *Washington Post* (a Best Book of the Year) The raves keep pouring in for #1 New York Times bestselling author Peter De Jongs *Shadows Still Remain*. James Patterson calls it, An absolute knockout and a half, and praises De Jongs fascinating, endearing, but seriously flawed heroine, NYPD Detective Darlene OHara, as, One of the freshest, hippest detective creations in many a year. Every fan of serious crime fiction will agree that this author is a major find.
