

A Mackenzie Family Christmas: The Perfect Gift (Highland Pleasures)

The Mackenzies gather for a clan Christmas and Hogmanay in Scotland. In the chaos of preparations for the celebration-the first of Hart and Eleanors married life-one of Ians Ming bowls gets broken, and the family scrambles to save the day. Daniel busily runs a betting ring for everything from the hour Eleanors baby will arrive, to whether Macs former-pugilist valet can win a boxing match, to who will be the first of the many guests to be caught under the mistletoe. Ian begins a new obsession, and Beth fears that the loss of one of his precious bowls has made him withdraw once more into his private world.
