

## A Night in a Moorish Harem

A Captains Night in a Moorish Harem: 14 Short Sex Stories of Whores Harlots and Concubines is a sexually provocative, controversial work of classic erotic literature. These previously banned (but secretly best selling) erotic novels and sex stories are elegantly written, lustfully wicked, and beautifully illustrated with vintage erotic art photographs and Victorian porn pictures. Arouse and excite your sexual desires and fetish fantasies with these hot sexy tales of seduction, romance and lascivious lust! From the book: Was I dreaming, or had I been suddenly transported amid the houses of the seventh heaven? I stood entranced, gazing at the charming spectacle. Ladies, said I, it would be immodest to give preference when all are so ravishingly lovely. Please keep the scarf, Inez, and when I have paid a tribute to your fair charms, pass it to another, till all have been gratified. Did he say all? she cried. All indeed! laughed the rest in chorus. Every one, said I, or I will perish in the attempt. .. The other ladies gathered round us; their kisses rained on my neck and shoulders - they so completely sustained Inez and myself that I mingled my being with them all at once. .. when her rosy cheeks became a deeper dye, her eyes swam, lips parted and I felt a delicious baptism of moisture on my shaft. Then her head sank on my shoulder, the gathered sperm of months gushed from my crest so profusely that I seemed completely transferred with waves of rapture into the beautiful Spanish girl. ABOUT THE PUBLISHER: EROTIC EVOLUTION E-BOOKS (Publishers of Classic Erotic Literature and Love Stories - Fully Illustrated with Nude Art Photography) Erotic Evolution publish quality erotic sex stories for Kindle eBooks. After reviewing several hundred famous romance and Victorian erotic novels (previous bestsellers and banned books) we have selected the best erotic sex

stories based on the sexual content, character and story development, quality of erotic literature and types of sex scenes (they are clearly connected - sex is better when the stories and characters are real). We publish provocative hardcore sex in literature (previously classified as pornography and banned) simply because this reflects the truth of our sexual evolution - sex is central to our existence and connects back to our primitive wild animal instincts. We can creatively cultivate our sexuality to be moral and beautiful - but also hot, sexy and smutty - to make the most of our primitive passions of love and lust, pleasure and pain! Reading quality erotic books cultivates the sexual side of our mind, enhances our sexual lust, and adds spice and variety to our sex lives, thus we think you will love our collection of sexually provocative erotic fiction and sex stories - in thought and action. The true man wants two things: danger and play. For that reason he wants woman, as the most dangerous plaything. (Friedrich Nietzsche) It is not enough to conquer; one must know how to seduce. (Voltaire) Desire is the essence of a man. (Spinoza) A Captains Night in a Moorish Harem: 14 Short Sex Stories of Whores Harlots and Concubines is beautifully illustrated with provocatively sexual erotic art (for guys and girls) and has been carefully hand formatted for Kindle e-books (with linked table of contents). We have also included three excellent essays on the biological and cultural evolution of human sexuality - how we can use this knowledge to enhance our sexual relations (i.e. the art and science of sizzling hot sex!). DIGITAL RIGHTS MANAGEMENT (DRM) FREE - Unlimited Simultaneous Device Usage Allowed - You can download, copy and read this book on multiple devices. WARNING! ADULT ONLY SEX STORIES!
