

Taste for Love

Alice loves to cook. She believes the secret of good food is to cook with passion. Her love affair with cookery has taken her from her parents seaside hotel, to Paris and then one of Dublins finest restaurants. Then she marries Liam, and is happy to hang up her chefs hat and cook for her family and friends instead. But now shes cooking for one! Her marriage to Liam over, its high time she learns to stand on her own two feet and begin again...Alice opens The Martello School of Cookery and a group of total strangers learn from her to create food that is tasty and delicious. And in the comfort of her kitchen they discover, not only how to cook - but recipes for life...This title is by the number one bestselling author of The Mother of the Bride.
