

The Final Voyage of the S.S.N. Skate

The leper of the U.S. Pacific Fleet, SSN 578 nuclear attack sub SKATE should have been reduced to scrap a decade earlier. But America is on the brink of impending disaster at Russian hands ... and the underwater deathtrap has one final mission to perform - one impossible act of piracy in hostile enemy waters that will pit the obsolete floating dinosaur and its inexperienced crew against the combined might of the Soviet Navys finest!
