

## Run River: The Explosive Novel of A Strange Marriage and the Sins and Secrets of Californias New Society!

In Run River, Joan Didion, author of Play It As It Lays, was written an incisive, penetrating novel of the twenty-year decline of a marriage into emotional chaos and murder. Corrupted by the California society of new money in which they live, Everett and Lily McClelland tragically pervert their very real love in a series of dissolute and meaningless affairs.
