

## All in the April Morning

The day dawns bright and fair on peaceful San Francisco. Outside the Pendelton mansion, the OConnell sisters Bridget and Kitty enjoy the freedom of the hour. But this is the day of the great San Francisco earthquake and life is set to change forever for the OConnell girls. Orphaned by the disaster, Bridget must assume responsibility for herself and eight-year-old Kitty. They face an uncertain future with only Bridget's fierce spirit to sustain them.
