

Another Day in Cubicle Paradise (Adams, Scott, Dilbert Book.)

When Dilbert first appeared in newspapers across the country in 1989, office workers looked around suspiciously. Was its creator, Scott Adams, a pen name for someone who worked amongst them? After all, the humor was just too eerily funny and familiar. Since then, millions of fans have repeatedly clamored for every Dilbert strip, book, coffee mug, T-shirt, you name it. Dilbert has become more than a cartoon character. He's become an office icon. In this 19th collection, Dilbert and his cohorts, Dogbert, Catbert, Ratbert, and the pointy-haired boss, once again entertain with their cubicle humor. From bizarre personnel decisions to meetings gone bad, from schizoid secretaries to consultants from hell. Another Day In Cubicle Paradise provides a guaranteed recipe for success - and a way to get all those darn comic strips off the break-room bulletin board.
