

## Cover Girls (Christian Softcover Originals)

Bestselling author T. D. Jakes pens a powerful tale of God's ability to heal the scars of the past and rejuvenate hope for the future. *Cover Girls* is a compelling novel of real faith that follows four African American women throughout one year as they learn to balance children, estranged husbands, boy-friends, and problems at work with their heartfelt belief in God. Meet Michelle, a young woman determined never to be used again - by a man, by her family, or by her boss; Tonya, Michelle's boss, who feels she is losing her power and dream to Michelle; Mrs. Judson, the office supervisor, who is in charge at work but fears she has lost control of all she holds dear at home; and Ms. Ida, a devout and saintly woman who will have the last word, helping these disparate women find themselves and each other. These are the *Cover Girls* - four women who learn to drop their cover, be themselves, and open up to friends and family without the fear of rejection.
