

Gates of Paradise

Stunned by tragedy, desperate and alone, Heavens daughter clung to the frailest of dreams! The car crash that killed Heaven and Logan left Annie Casteel Stonewall orphaned and crippled. Whisked off to Farthinggale Manor by the possessive Tony Tatterton, Annie pines for her lost family, but especially for Luke, her half-brother. Friend of her childhood, her fantasy prince, her loving confidante...without the warm glow of Lukes love, she is lost in the shadows of despair. When Annie discovers Troys cottage hidden in Farthinggales woods, the mystery of her past deepens. And even as she yearns to see Luke again, her hopes and dreams are darkened by the sinister Casteel spell...treacherous, powerful and evil!
