

Atonement

The stunning new novel from the Booker Prize winning novelist. Now reissued as a film tie-in edition. On the hottest day of the summer of 1935, thirteen-year-old Briony Tallis sees her sister Cecilia strip off her clothes and plunge into the fountain in the garden of their country house. Watching her is Robbie Turner, her childhood friend who, like Cecilia, has recently come down from Cambridge. By the end of that day the lives of all three will have been changed for ever. Robbie and Cecilia will have crossed a boundary they had not even imagined at its start, and will have become victims of the younger girls imagination. Briony will have witnessed mysteries, and committed a crime for which she will spend the rest of her life trying to atone.
