

## Berried Secrets (Cranberry Cove Mysteries)

When Monica Albertson comes to Cranberry Cove—a charming town on the eastern shore of Lake Michigan—to help her half-brother Jeff on his cranberry farm, the last thing she expects to harvest is a dead body. It seems that Sam Culbert, who ran the farm while Jeff was deployed overseas, had some juicy secrets that soon prove fatal, and Jeff is ripe for the picking as a prime suspect. Forming an uneasy alliance with her high-maintenance stepmother, Monica has her hands full trying to save the farm while searching for a killer. Culbert made plenty of enemies in the quaint small town, but which one was desperate enough to kill?
