

BLUEBEARD

Bluebeard, the Autobiography of Rabo Karabekian (1916-1988) is a 1987 novel by best-selling author Kurt Vonnegut. It is told as a first person narrative and describes the late years of fictional Abstract Expressionist painter Rabo Karabekian, who first appeared, rather briefly, in *Breakfast of Champions*. Circumstances of the novel bear rough resemblance to the fairy tale of Bluebeard popularized by Charles Perrault. Karabekian mentions this relationship once in the novel.
