

Blue Diary

For more than thirteen years, devoted father and husband Ethan Ford has been running from his past. But one day the police show up at his door-and his life as an irreproachable family man and heroic volunteer fireman begins to come apart. Investigate[s] the themes of devotion, betrayal, guilt and forgiveness in trenchantly effective ways. (Publishers Weekly, starred review) Hoffman ably sends her theme of loss and deception reverberating across several well-made subplots... fast-moving. (New York Times Book Review)
