

Delhi OMG!

Book Summary of Delhi OMG! Delhi OMG! Traces the journey of Dinesh, a middle-class offspring as he meanders through life and the city of Dilli in his struggle for survival. The journey takes him through the many signature spots in the city, exposing the underbelly and presenting a side which is rarely seen. The loss of innocence riddled with myriad splashes of contrasting, funny and often contradictory shaded, this tale attempts to expose the superficiality that lies beneath, in a way that shocking, real, hard-hitting and humorous. Consumed as Delhiites are in their world of make-believe and maximising their returns, with each one trying to be what they are not, Dinesh discovers that the city allows one to revel in their belief of having actually succeeded. But have they really? Welcome to Delhi...as we think we know it!
