

# The Guardian of Secrets: And Her Deathly Pact.

A historical family saga spanning four generations, from 1912, Kent, England, to Spain and its 1936-39 civil war. Celia and Ernestos two sons march under opposing banners, whilst their daughters take different paths, one to the Catholic Church and the other to the battlefields, and in the shadow of war, an evil ghost from the past watches and waits for an opportunity to destroy the entire family. In exile, Celia and Ernesto can only wait and pray for their children and their safe return home.
