

Boys! Shaping Ordinary Boys Into Extraordinary Men

Author William Beausay believes it is possible to turn normal boys into exceptional adults who are anything but average. Boys! encourages parents to raise sons who are truly winners in life. In this expanded and revised edition, Beausay takes a hard look at some of the issues facing parents today, including raising boys solo, attention deficit hyperactive disorder, smart discipline, handling bullies, and much more. With down-to-earth wisdom and practical suggestions, Beausay equips parents to deal with the tough issues that their sons will encounter on their journey to manhood.
