

Tales of the Vampires (Buffy the Vampire Slayer)

Tales of the Vampires presents stories ranging from medieval times to the Depression to today, all intricately woven around Joss Whedon's central story about a group of young Watchers in training. Not to be missed is Buffy's rematch with Dracula and Angels' ongoing battle with his own demons. Wrapped in a haunting cover by Hellboy creator Mike Mignola, these diverse tales flesh out the history and the world of Joss Whedon's unforgettable creations and fill the void left by the Buffy TV show better than any other writers ever could.
