

The Ladys Tutor

An Education In Pleasure - Married young to a man hand-picked by her father, Elizabeth Petre is an ideal Victorian lady. She has borne two sons and endured sixteen years of selfless duty in a passionless marriage. Craving a mans loving touch yet loyal to her wedding vows, Elizabeth is determined to seduce her coldly indifferent husband. She knows of only one man who can teach her the erotic secrets of love. A Lesson In Love - The bastard son of an English countess and an Arab sheik, Ramiel Devington was reared to embrace both Western culture and Eastern pleasure. Scorned by society and challenged by prim Elizabeths request, he undertakes her instruction in the art of sensual delight. But when the lessons become a temptation neither can resist, Elizabeth is forced to choose between obligation and a bold, forbidden passion...
