

Winds of Fate (The Mage Winds, Book 1)

Lackey, who has enchanted readers since the publication of her first novel, *Arrows of the Queen* in 1987, scores another hit with the paperback release of the first book in an exciting new series. High magic had been lost to Valdemar when he gave his life to save his kingdom from destruction by the dark sorceries. Now it falls to Elspeth Herald, heir to the throne, to take up the challenge and seek a mentor who will awaken her mage abilities.
