

Ice King

In 1804, Liverpool was the largest slave trading port in Great Britain, yet her influential traders felt threatened by the success, in Parliament, of the anti-slavery movement. Few, in Liverpool, condemned the Trade. William King, son of a Liverpool trader, is sickened by what he experiences aboard a Spanish slaver, and dares to speak out against the Trade. This epic, set during the dying days of this despicable practice, has generational change, moral wickedness, greed, romance and the fortunes of war woven through the lives of a father and son caught up in the turmoil that preceded the implementation of the British Trade Act of 1807, which would end Britains involvement in the slave trade.
