

Caramelo

Every year the three Reyes sons and their families drive south from Chicago via Route 66 to the home of the Awful Grandmother and the Little Grandfather on Destiny Street in Mexico City. From the back seat of her fathers red Chevy station-wagon, our storyteller Lala loves to witness the crossover from endless Texas to flamboyant Mexico, the switch from truck stop donuts to street vendors with corn on the cob, the smell of hot tortillas and the sting of roasting chillies in the throat and eyes. The youngest of many cousins, Lala is also the most curious. Did the Little Grandfather really lose those very ribs in a terrible battle? And why is the Awful Grandmothers special treasure unfinished - her caramelo silk rebozo, or shawl, the colour of burnt milk candy? Why does the Awful Grandmother drive them all crazy with her favouritism of Lalas father over Uncle Fat-Face and Uncle Baby, to the point where Lalas mother wants a public showdown? As Lala grows older she learns the colourful tales and healthy lies behind the official family legends. CAMELO crosses the Mexican border over three generations, taking in history and cultural ironies, tragedy and huge amounts of laughter. Cisneros is a great story teller, a tantalizing conjurer of tastes and atmospheres - and the creator of characters who stomp and dance off the page into your heart.
