

Carolines Contract

Artist Caroline Ashley seeks out the services of an acclaimed dominant master, Max Burton. Max initiates their association offering Caroline a legal contract giving him the right to not only punish her as he desires, but to take ownership of her sexual life. Max leads the naive Caroline ever more deeply into the submissive role for which she is so naturally suited, while at the same time he finds himself romantically lured by her sensuous appeal. Though Caroline would seek to own him as much as he owns her, she learns harsh lessons in surrender, forced to accept this masters inventive sexual appetites and the other women who serve him his young secretary, Diandra, the femdom porn queen, Vicki, and even her friend, Roxanne. Creative spanking and punishment scenes as well as exhibitionism, threesomes, group sex, Fem/fem bisexuality, anal sex and S&M.
