

Dynamics for Living (Charles Fillmore Reference Library)

After three decades of studying his writings, it is my conclusion that Charles Fillmore was the greatest sage who has been embodied in the last five hundred years. His steadfast research into the realms of God Mind opened to him infinite adventures. These revelations he generously shared with all who studied in his classes or pondered over his writings. Prayer opened this mans human consciousness to the dynamics of Spirit. What is new about this book is the arrangement in which this compilation is offered. Its purpose is to present the basic substance of Charles Fillmores writings in a manner that will invite an expanded study of what he taught. The sequence employed is a result of Charles Fillmores own logical thinking trends. The various sections cover particular conceptions. Such were assembled from the various books and articles by Mr. Fillmore so that each unit would be complete in treating a specific subject. It is my prayer that as you unfold your understanding of the truth that is so beautifully and positively stated in the following pages, you will find the same dynamics for living that graced the life of Charles Fillmore. Contents: Practical Christianity God Creation Man Consciousness Thinking The Spoken Word Spiritual Law Prayer Truth Demonstrates Itself Living Faith Health Music and Healing Disease Prosperity Praise and Thanksgiving Love Forgiveness Adam and Eve Conscience Judgment and Justice Jesus Christ The Kingdom of Jesus Christ The Holy Spirit Baptism Atonement Transfiguration Fulfillment Reincarnation Treatments for Self-Development Golden Snowflakes
