

## Three Musketeers (Classics Illustrated Notes)

This is an \*ABRIDGED\* reading of The Three Musketeers. It is read by Michael York and it is part of the Classics Read by Celebrities series. This historical romance, perhaps the greatest cloak-and-sword story ever written, relates the adventures of four fictional swashbuckling heroes who loyally served the French kings Louis XIII and Louis XIV. When the dashing young D'Artagnon arrives in Paris from Gascony, he becomes embroiled in three duels with the three musketeers Athos, Porthos, and Aramis. But when he proves himself by fighting, not against, but with, the three Musketeers, they form a quick and lasting friendship. The daring escapades of the four pit them against the master of intrigue, Cardinal Richelieu, and the quintessential wicked woman, Lady de Winter.
