

The Covenant Marriage (Focus on the Family Marriage Series)

Part of the Focus on the Family Marriage Series, this Bible study examines the concept that God is our marriage role model as it explores the covenant He made with Abram and his descendants, and how that covenant relates to marriage. The heart of the program is seven Bible studies. Each one consists of four sessions, takes about 45 minutes to complete and focuses on issues that can impact couples at every stage of their married life. Extremely flexible, the Focus on the Family Marriage Series can be used in a variety of settings: Sunday School, small groups, counseling sessions and more. Get the entire program with the Group Starter Kit.
