

Morning Sky (Thorndike Christian Fiction)

(Freedoms Path Book 2) Nothing will ever be the same after boisterous Aunt Lilly Verdue arrives in the new settlement of Nicodemus, Kansas, in the early summer of 1880. Her brother-in-law is not at all happy to see her, and her unwillingness to admit the reason behind her hasty exit from New Orleans only fuels the fire. Shes not content to peacefully join the little farming community. No, Lilly manages to shake things up even further when she decides Moses Wyman is engaged to the wrong sister!
