

Dancing in the Dark

A brilliantly compelling Liverpool saga following the lives of two women - three generations apart. Millie Cameron is not at all pleased when she finds herself obliged to sort through the belongings of her aunt Flo, who has recently died. She hardly knew her aunt and besides, she has her own career to think about. But when she arrives at Flos basement flat, Millie's interest is awakened. As she sorts through her aunt's collection of photographs, letters and newspaper cuttings she finds herself embarking on a journey - a journey to a past which includes a lost lover and a secret child. Picking through the tangled web of Flos life, Millie makes the startling discovery that all the threads lead to herself...
