

## Dancing Naked at the Edge of Dawn

From the bestselling author of *The Elegant Gathering of White Snows* comes a poignant, outrageous, refreshingly liberating story about one woman whose life takes an unexpected turn...Meg Fratano has just witnessed the unthinkable: her husband of twentyseven years making love to another woman. In her bed. And all Meg wanted to do was watch. Quietly, secretly, watch. Then she realized her life would never be the same. Meg isnt sure what she wants, but she knows its not what she had. After almost three decades of marriage and two children, she has finally awakened to how unhappy she is. Now, with the help of friends old and new, and even her teenage daughter a former brat who has blossomed into a startlingly wise young woman Meg just might break through the chains of everyones expectations for her and find the strength to take the first step on her own path. To strip away a lifetime of inhibitions. To dance naked at the edge of dawn...
