

Dark Justice

An all-new contemporary thriller from the master of the genre -- the author of the international bestsellers Day of Reckoning, Edge of Danger, Midnight Runner and Bad Company. Sean Dillon is back in another heart-stopping, adrenalin-laced adventure. When the president's right hand men foil a plan to assassinate him, Sean Dillon is called upon to trace the would-be killers' history. It appears the assassin is British with Muslim connections, and suddenly Dillon is on a trail that leads him to England, Russia and Iraq, where he prepares for the deadliest challenge of his life. The Jack Higgins name is synonymous with action, pace and breath-taking suspense. He has sold over 250 Million copies of his novels and remains one of the world's best-selling writers of thriller fiction.
