

Dark Reign: Zodiac #1

Written by Joe Casey, Nathan Fox. Norman Osborn may be running the show, but not every super-villain is going to accept the new world order. But who - or what - is ZODIAC? In this dark, brooding tale that snakes through the underbelly of the modern Marvel Universe, the new breed of super-villain has finally arrived! The order of the day is mischief for mischiefs sake, and no one - neither hero *nor* villain - is safe!
