

Daughter of Light

Young Lorelei Patio is determined to escape the eerie shadows of her past and her dark-willed father into a bright future filled with hope and love. Away from the darkness, Lorelei finds refuge amongst the tenants of elderly Mrs Winston, and when she meets her landlady's handsome grand-nephew, Liam, love soon blossoms. But try as she might, she can't seem to escape her past. Sinister nightmares weave through her nights and the hours of daylight seem incapable of protecting her from the perpetual terror that her father could find her and destroy her new life and everything she has come to hold dear. Virginia Andrews' breathtakingly seductive tale will hold readers captive in its irresistible spell.
