

Deadline (Godmothers)

A New York Times Bestselling Author -- No sooner have Toots Loudenberry and her three best friends -- Sophie, Ida, and Mavis -- returned from Sacramento, where Sophie provided some much-needed psychic advice to the First Lady of California, when another situation demands their attention. Laura Leigh, a Hollywood starlet whose main talent seems to be landing in trouble, is missing. And Toots' daughter, Abby, has both a personal and professional stake in the story.
