

Defiant

A rogue knight and an enchanting renegade join forces to right old wrongs in award-winning author Kris Kennedy's sizzling new medieval romance. A warrior with questionable intentions . . . Jamie Lost is the king's most renowned commander, a fearless lieutenant ordered to kidnap an exiled priest before rebel forces close in. The mission is simple until he meets a mysterious thief who will steal his quarry and then his heart. A lady of remarkable courage . . . Beautiful Eva is also seeking Father Peter, but she intends to protect him from a secret that could cost him his life. She senses that she, too, should fear Jamie not just for his wickedly sharp sword and dangerously muscular body, but for the powerful longing he ignites within her. A secret that could overthrow the king. When a band of mercenaries abducts the priest, Jamie and Eva must form a volatile alliance. As civil war unfolds around them, they embark on an epic journey that betrays the truth about their hidden identities, their unexpected loyalties, and the simmering attraction that could seal their fates forever.
