

Patriot Play (Superbolan)

Blood Resolve America is under attack from within. Using violence and destruction to throw the population into a panic, a group known as The Brethren, and their political masterminds, are orchestrating anarchy, operating above the law. They have allied themselves with foreign terrorist organizations and are planning a strike to make themselves heard, and to spearhead a direct collision with the U.S. Administration. With federal agencies at a standstill, a determined President needs a direct, no-mercy solution, one prepared to deal with the enemy on the enemys terms. Mack Bolan is ready and willing to declare war. Partnered with Able Teams leader Carl Lyons, Bolan returns fi re on a relentless search-and-destroy mission against an organization driven by warped ideology to claim absolute power.
