A twisty, up-all-night standalone thriller from the highly acclaimed author of the Lacey Flint series. Three confessions. Two liars. One killer. Three friends have had their lives ripped apart. Their pasts haunt them. They are consumed by guilt. And they don't trust anyone. Not even themselves. But in their small, isolated, island community, trust is the only way to survive. Now a child has gone missing. And no one knows who to believe. There can only be one killer. So why are three people confessing to the same crime?
