Monsters are roaming the streets of London. Of course, some monsters are scarier than others: Unicorns? Not a problem. Vampires? Big deal. Werewolves. Ho hum. Lawyers?Aaargh! Duncans boss doesnt think hes cut out to be a lawyer. He isnt a pack animal. He lacks the killer instinct. But when his best friend from school barges his way back into Duncans life, along with a full supporting cast of lawyers, ex-wives, zombies, and snow-white unicorns, its not long before things become distinctly unsettling. Hairy, even.
