

Dream Police #1

Written by J. Michael Straczynski. Illustrated by Mike Deodato Jr.. In the very near future, Detectives Joe Thursday and Frank Stafford patrol the surreal landscape of Los Angeles. But theirs is not just any beat. Their beat is the dreamscape -- a neo-noire landscape populated by trolls, dinosaurs, and things that go bump in the night, a place where its not too uncommon to find oneself late for the big test, completely naked at work, or trapped in an endless, repetitive loop. And thats where our Detectives Stafford and Thursday come in. Tonights patrol roster looks like itll be quite a doozy: Sister Mary, whose convent becomes a playground for a sinister force . . . Two-Pack Benny, whos trying to keep his hand in the dream-molding game . . . and little Albert, who unleashes the monster under his bed on his little suburban neighborhood.
