

Edinburgh Cuckoos

Summoned to England by his ex-girlfriend, Bill Reyner and his associate North try to kill two birds with one stone-a short holiday and a very quick investigation. A simple missing person case couldnt possibly turn out nasty-or could it? Whilst retracing the steps of a missing woman, Bill accidentally uncovers an incredibly diabolical organisation that has existed for years. It soon becomes evident that while he is searching for the long dead and dear departed; someone behind the scene is manipulating his every move. What could wax figures, picturesque castles and alluring Scottish damsels possibly have to do with missing people? Bill has found another dangerous and multi million-dollar puzzle of murder and mayhem that extends way back into the dark and dismal past.
