

## Elevation

In the tiny mountain town of Elevation, Colorado, Charlie Grow discovers at a young age his supernatural abilities of mind over matter. With the support of his best friend and adopted parents, he chooses to keep his special gift a secret, until tragic events one Christmas force him to reveal his secret to the world. As his new-found celebrity threatens the very existence of Elevation, Charlie must decide whether to save himself or the town. His choice will ultimately change Christmas in Elevation forever!
