

Every Secret Thing

Plot Description: Once a top runway model, cool, confident Gina Paletta has abandoned her party lifestyle and relocated with her two young sons to a small college town, where she enjoys the sedate life of an academic. But troubling news soon disrupts her safe haven. Someone has posted salacious pictures of Gina on a sleazy website. Detective Tommy Galloway identifies two suspects, a pair of Gina's students: more worrying still, though, is the possibility that these young men are responsible for the death of a classmate. Their unhealthy interest in their professor may signal grave danger of Gina and her family. As the threat looms closer--and mind astonishing, deadly revelations about her loved ones--Gina finds herself reluctantly drawn into the company of the stalwart Galloway. While struggling to defend herself and her boys, she learns to open her heart.
