

## Expecting Emily

Emily is expecting. She is 34 weeks pregnant, her ankles are swollen, her hair is falling out and she's worried about the baby. Now she's been passed over for partnership in the firm of solicitors where she puts in more than 48 hours a week. And if that weren't enough it looks as if her husband, the piano-playing Conor, may have been running his fingers over more than the ivories while on tour in Germany. Depressed, demoted and about to deliver, Emily's not going to take this lying down...
