

## Fallen Angel

When the sins of the past echo the crimes of the present - Detective Nic Costa faces his hardest case yet When British academic Malise Gabriel falls to his death from a Rome apartment, detective Nic Costa rapidly comes to realize that there is much more to the accident than he had first thought. It also becomes apparent that Malises family -- mysterious and tragic daughter Mina, stoic wife Cecilia and troubled son Robert -- may be keeping vital information hidden. Nic becomes obsessed with the case, and is especially intrigued by Minas story which seems to be linked with the sixteenth century-legend of a young Italian noblewoman, Beatrice Cenci. As the investigation deepens, Romes dark and seedy side is uncovered, revealing a web of deceit, treachery and corruption. Costa realizes that the key to the truth lies with the Gabriels. Why are they so unwilling to co-operate, and who, or what, is the reason for their silence?
