

Falling for Grace: Trust at the End of the World (Trust Williams Trilogy)

When Trust Williams two-year transfer to the backwater woods of Tennessee came to a close, he thought he was returning to civilization. After all, the folks in Thelmas Way thought the Internet was the extra stitching on the backside of long johns. But lately, Southdale seems just as zany as any backwater, just in a different way. And Trust is starting to doubt himself, his family, even the girl by his side.
