

Fatal Circle (Persephone Alcmadi, Book 3)

Destiny sucks. . . . There was a time when Persephone Alcmadi thought her life was hard to manage, what with wondering how to make sure she took adequate care of both her grandmother and her foster daughter, Beverley, whether she'd end up in the unwanted position of high priestess of a coven, and whether her w?rewolf lover, Johnny, would resist the groupies who hang around his band Lycanthropia. But that was before the fairies started demanding that Sephs frightening, unpredictable ally the ancient vampire Menessos be destroyed . . . or the world will suffer. Seph and Menessos are magically bonded, but that's a secret she dares not reveal to her fellow witches lest they be forced to reject her and forbid her use of magic. And, despite the strain this casts on her relationship with Johnny, as a showdown with the fairies nears, she and Menessos badly need the w?rewolves as allies. Life, death, and love are all on the line, but when destiny is calling, it doesn't help to turn away. With the individual threads of their fates twisted inextricably together, can Seph, Johnny, and Menessos keep the world safe from fairy vengeance?
